PlantForm appoints David Cayea Chief Operating Officer

GUELPH, Ont. — PlantForm Corporation is pleased to announce the appointment of David Cayea as Chief Operating Officer, effective immediately.

“As Chief Operating Officer, Mr. Cayea will continue to advance our financing and partnering initiatives as well as taking on new responsibilities related to the internal management of the company,” said Don Stewart, PlantForm President and Chief Executive Officer.

Cayea joined PlantForm in 2011 as Director of International Relations & Business Development, responsible for advancing the Company’s strategic growth strategy by developing and fostering global partnerships. An entrepreneur who has successfully launched private-sector companies in multiple industries over the last 14 years, he has extensive business management experience in Europe, Asia and North America, including founding North American Safety Consultants in Abu Dhabi in 2003. Cayea has a Bachelor of Arts degree in Environmental Studies and Politics from Brock University and a Post Diploma Certification in Environmental Management from Niagara College.

“I appreciate the confidence that PlantForm’s senior management and Board of Directors have in me and welcome the opportunity to expand my responsibilities and play an integral role in successfully moving the company forward to achieve our strategic corporate goals,” Cayea said.

PlantForm Corporation’s mission is to provide low-cost antibody drugs to help people fight cancer and other critical illnesses. The Company is currently raising Series A capital to advance into the regulatory approval process for its first antibody drug, a biosimilar version of the breast cancer drug Herceptin® (trastuzumab). Biosimilar versions of two additional antibody drugs for cancer are in development, as is an innovator drug to fight HIV/AIDS infection. Projected revenue is more than \$50 million by 2016.
